

Distributor Listed Installer (DLI)

As a **Siemon Distributor Listed Installer (DLI)**, a company can take advantage of the following benefits:

- 1) Offer a 15-year extended product warranty.
- 2) Maintain an affiliation with the Siemon Company, the leader in structured cabling.
- 3) Receive support through supplemental product training provided by qualified trainers.
- 4) Receive notification of new product releases.
- 5) Sales support
- 6) The Siemon Company views installation as a very important aspect of quality workmanship.

Therefore, to be eligible to become a Listed Installer, the company must be capable of the following criteria:

- 1) Be knowledgeable of the telecommunications industry
- 2) Be experienced with installation methods and techniques used for both copper and fibre products,
- 3) Register any Siemon Product Warranty projects with the Siemon Company.
- 4) Not represent or promote their company as a Siemon Certified Installer Company. (a non-disclosure and program acknowledgement must be completed and signed)
